INTER-OFFICE MEMORANDUM

Office of Accounts and Control

TO: Chief Financial Officers
State Departments and Agencies

DATE: March 18, 2009
(Revised June 5, 2009)

FROM: Marc A. Leonetti, State Controller

SUBJECT: FISCAL YEAR-END CLOSING TIMETABLE/DEADLINES

The purpose of this memorandum is to communicate the dates by which the Office of Accounts and Control must receive various types of accounting documents and other information in order to (1) ensure that they are posted during the fiscal year ending June 30, 2009 and (2) ensure that the State's Comprehensive Annual Financial Report (CAFR) for fiscal year 2009 is published by December 31, 2009.

While agencies should be performing account "clean-up" operations consistently throughout the fiscal year, it becomes especially important during the fiscal closing period for agencies to remove unneeded purchase orders, accounts payable, journal entries and the like from the RI-FANS system. It is also just as important to make sure that all financial transactions that have occurred, such as cash receipts, interfund transfers, and incurred liabilities have, in fact, been recorded in the State's accounting records. Failure to keep the accounting records up to date before fiscal closing results in delays and inefficiency for all parties concerned.

Your attention is directed to the acknowledgement form (Attachment A) on page 10. Each agency's Chief Financial Officer must complete this form to acknowledge that he/she has received this timetable and reviewed it with the appropriate staff in his/her agency. This form must be received back at Accounts and Control, to the attention of John Monse, Jr., no later than April 3, 2009.

Also see Attachment B, which you will find on pages 11 and 12. In those cases where you will be sending paper invoices and/or backup to our Accounts Payable Section during the fiscal closing period, please attach a copy of either the FY09 cover sheet or the FY10 cover sheet, as appropriate, to help ensure that the related transaction is posted in the correct fiscal year.

Please be sure, for any FY 2009 documents where the naming convention requires it, that the document ID number contains a 09 in the appropriate position.

In addition, in order to provide greater assurance that any ADI spreadsheets you submit to Accounts and Control for accounts payable greater than or equal to \$250,000 as of June 30, 2009 are accurate, we require that all such ADI spreadsheets 1) be submitted to a quality assurance review for accuracy at the originating agency, and 2) be accompanied by a certification form (Attachment C, on page 13) completed by senior management.

You may call either Peter Keenan, Associate Controller-Finance at 222-6408 or Louise Anderson, Associate Controller-Operations at 222-2704 should you have any questions regarding these deadlines.

Thank you for your cooperation in helping to ensure the State's ability to prepare an accurate Comprehensive Annual Financial Report in a timely manner.
